

Special Interest Group For  
Immigrant Engineers NZ (SIGIE)

**Dear Migrant Engineer**

**Re: SIGIE 1-on-1 Interview Session Various Sessions at Auckland Council/Henderson**

You might have attended one of a series of SIGIE 1-on-1 interview sessions for immigrant engineers and have got an action plan with you, or have missed it due to various reasons.

SIGIE advises that the coming session, will be held on various dates at Level 2, Civic Building, Auckland Council, 6 Henderson Valley Rd, Henderson, from 5:00pm to 7:00pm. Ideally an interview will take around half an hour.

If you would like to discuss your current situation and / or any progress or problem on your action plan, here is your opportunity of meeting with interviewer from SIGIE to get some thoughts how to move forward in your job search. Please arrange an appointment by return email with your CV to [SIGIENZ@gmail.com](mailto:SIGIENZ@gmail.com) as soon as possible, and an appointment time will be allocated to you to indicate the time you intend arriving by returning this email at your earliest convenience as there will be strictly no interviews without making an appointment. We would appreciate if you indicate that you have attended similar workshops in the past as priorities are for new candidates.

**This workshop is specifically organised for SIGIE members. If you are not enrolled with SIGIE we recommend you complete the attached SIGIE application form for membership and send to IPENZ as instructed before attending this workshop.**

**Fees:**

1. SIGIE members Free
2. Non SIGIE Members Free (Donation Accepted)

**Please bring a hardcopy of your CV with you.**

Kind regards  
**Zaid Essa**
