

IPENZ COMPETENCE ASSESSMENT SEMINAR**6:00PM to 8:00PM on Thursday 03 April 2014****Auckland Regional Migrant Services (ARMS) Training Room****532 Mount Albert Road in Three Kings, Auckland**

SIGIE would like to invite you to a presentation by Brett Williams, IPENZ Director of Learning and Assessment, on the assessment process by IPENZ through which applications for competence-based membership and current-competence registration are evaluated.

This presentation will benefit engineers who are planning to become an IPENZ member and pursuing to register as a Chartered Professional Engineer (CPEng), the most important quality mark attesting to the current competence of a professional engineer in New Zealand. It will also give them the opportunity to meet newly arrived migrant engineers and share their experience on building their engineering career in New Zealand.

Newly arrived migrant engineers will also benefit from this presentation by giving them the opportunity to meet other immigrant engineers who are willing to give some advice and share their experience in job searching, CV writing and job interviewing.
