

## **Life Membership – IPENZ Transportation Group**

### **Process and Criteria**

Life membership recognises persons who have rendered exceptional and extended service to the transportation engineering profession and particularly the work of the Institution of Professional Engineers New Zealand Transportation Group (IPENZ TG).

Any member or retired member, who has made a very significant contribution as described above, may be nominated for Life Membership of the IPENZ Transportation Group in the following manner:

- (a) Nominations are to be forwarded to the National Committee. Such nominations are to be signed by four Members of the IPENZ TG. These signatory Members are to comprise TWO nominators (from different TG branches, at least one of whom is a Fellow of IPENZ) and TWO supporters (at least one of whom is a Fellow of IPENZ). A signatory from a colleague within the same work office as the Nominee is not permitted.
- (b) The Nomination is to comprise a brief profile of the nominee's achievements / service / career, which will be the basis of the Citation.
- (c) All such nominations will be considered by the National Committee which, at its sole discretion, may place the agreed nominations before those attending the Annual General Meeting for confirmation by that meeting.
- (d) All Life Members must be confirmed / elected at the Annual General Meeting of the IPENZ TG.
- (e) Life Members shall be provided with an appropriate certificate and Citation signifying their Life Membership status.
- (f) The Citation shall be published in Roundabout.

### **Criteria:**

1. Exceptional and extended service to the transportation engineering profession and in particular the work of the Institution of Professional Engineers New Zealand Transportation Group (IPENZ TG).
2. This extended service would normally be expected to be at least 30 years and extend beyond the local branch and area of the member to national level.
3. The member would normally be over 65 years of age.

### **Recipient:**

1. A Citation from the Chairman of the IPENZ TG will be presented at the AGM of the Group, or some other suitable occasion.
2. Future membership of the IPENZ TG will be free of charge.
3. Future attendance at the Annual Conference will be free of charge.
4. The proposed recipient and partner will have their costs travel and accommodation paid by the Group to attend the AGM which is to confirm the Life Membership.
